19 September 2001

*** REVISION NUMBER 6 ***

NOTICE TO NAVIGATION INTERESTS

UNRESTRICTED LOCK OPERATIONS

OKEECHOBEE WATERWAY, FLORIDA

1. This revision supersedes the previous Notice to Navigation Interests dated 15 August 2001 pertaining to the restricted locking operations on the Okeechobee Waterway.

2. Due to above normal rainfall in South Florida recently, the restricted locking schedule previously imposed at the below listed navigation locks has been lifted. As such, the five locks will return to normal operations, i.e. locking on demand between 6:00 AM and 9:30 PM daily.

UNRESTRICTED LOCKING SCHEDULE (EFFECTIVE 19 September 2001)

WP	Ortona	Moore	Port	St. Lucie
Franklin		Haven	Mayaca	

-----Lockage on Demand-----

3. The above lock schedule will remain in effect until such time as a change in the lock operations is announced by subsequent Notice to Navigation Interests.

4. Further information concerning Lake Okeechobee and the adjoining waterway may be obtained by calling the South Florida Operations Office at 863-983-8101 or by accessing the Jacksonville District web site at <http://www.saj.usace.army.mil> and pulling up the NAVIGATION selection from the menu.
